WINSTON PARK PRIMARY NEWS

FROM THE ACTING PRINCIPAL

Dear Parents

It has been an incredible weekend of celebration. It is long overdue, but the timing can't be better. As we move closer to the Christmas festivities, the spirit of unity, positivity and sheer exhilaration has spread throughout the country. The Springboks winning the 2019 Rugby World Cup has ignited hope and a shared pride in all South Africans. Well Done, Bokke!

This is the penultimate newsletter for the year. As another successful year draws to a close, we round up the final term's events and prepare for the last few weeks before closure.

Annual General Meeting and Budget Meeting

Our AGM and Budget meeting on the 28 October was well attended and well received by our parents and staff. We appreciate those parents who were able to be there and contribute to the evening. We are also grateful for the effort and time put into the budget by Gina Layzell and her finance team, consisting of Tania Hammond and Kerry Murray, and to Brian Payne for his expertise in overseeing the process. I would also like to acknowledge our chairperson, Amon Kasambala and the entire Governing Body for the selfless vigour they share with the Winston Park Primary School community.

Grade R Orientation

Grade R Orientation was held on 31st October 2019. We welcomed our new learners and parents to the Winston Park Family. Children got to meet their teacher and peers, while parents were given information packs and were informed about the school routines and procedures. Thanks and appreciation goes to all those involved in ensuring the success of this programme.

UPCOMING EVENTS

FINAL ASSESSMENTS AND EXAMINATIONS

As our children move into a time of assessment and examination, it is imperative that there is some balance in their and our lives.

End of the year examination/assessments began on Friday 01/11/2019 and will finish on 12/11/2019. Examination time-tables for each grade as well as a break down for each subject have already been given to your child. Details can be found on the D6. We know you are really anxious for your child to do well, but we appeal to you, parents, not to let your stress become your child's stress.

You play an important part in helping your child to give of their best. The teachers have been busy preparing and reinforcing the skills necessary for our children to demonstrate their learning. We don't want to cause test anxiety, rather we want our kids to be as prepared as possible. Here at Winston Park, we endeavor to always create a stress-free learning environment. The best way to support your child during the stress of revision and examination is to make home life as calm and pleasant as possible. We encourage you to focus on building your child's confidence.

The sporting calendar will continue during the examination/ testing period. It is important that our children do not use the examination as an excuse to miss practices or fixtures.

WORLD KINDNESS DAY

World Kindness Day is celebrated annually on 13th November. The mission of the World Kindness Day is to create a kinder world by inspiring individuals and nations towards greater kindness. In our assembly last Tuesday, Mrs Duthie and her class did a video presentation and a talk to the Junior Primary children, inspiring them, by their gesture of kindness, to be 'Superheroes of Kindness.'

On Wednesday, based on Mrs Duthie's assembly, I challenged the Senior Primary learners to concentrate on the qualities of being friendly, generous and considerate towards others.

UNIVERSAL CHILDREN'S DAY

Universal Children's Day is celebrated annually on 20th November. The goal of this day is to promote togetherness around the world, awareness of the problems children face and improve the welfare of all children. 'Investing in our future means investing in our children.' This year Children's Day focuses on the importance of a healthy childhood. See more on how you can participate in World Children's Day: www.unicef.org/world-childrens-day.

HAPPY CHILDREN'S DAY to all, young and old!

GRADE 7 CAREER DAY

On the 27th November, as part of the Life Orientation syllabus, our Grade 7 learners will be involved in a career day programme. Guest speakers have been invited to talk to our learners about the different professions and career choices available to them.
